

Riverstone Club Events

On the following pages of this bulletin we share with you details of all events taking place over the next two months.

Please remember that the schedule is subject to change, and new events may be added or removed throughout the month.

To ensure that you have the latest and most up-to-date information, please keep an eye on the MyRiverstone app or speak to one of the concierges who will be pleased to help.

Certain events require a printed ticket. For those events where a ticket is required it is clearly marked in the event description.

To book your place at any of these events sign up on the MyRiverstone app or speak to one of the concierges.

Julius, Zara and Xena are the Riverstone Club team and are responsible for creating and delivering events.

The goal is to produce a fantastic programme of interesting and engaging events which you are welcome to join.

To get in touch with us, please email theclub@riverstoneliving.com

Riverstone are the founders and curators of the beautiful Kingfisher Wharf. With spectacular panoramic views of the River Thames, cityscape and beyond, Kingfisher Wharf is a unique venue for education and events. The beautiful and contemporary space is on the river Thames and can host up to 75 people, the perfect place for a celebration, get-together, leisure or teaching opportunity.

Please contact events@kingfisherwharf.com to enquire about hiring the space.

Riverstone has partnered with Michael Halsall, owner of Halsall Travel International who is an expert in luxury travel and is our dedicated independent Riverstone Travel Designer.

Michael owns and operates independently from Riverstone.

Michael is available to support all of our residents with any travel related requests – your own personal travel agent.

You can contact Michael on: 0208 080 0419 or traveldesigner@riverstoneliving.com

"The mind is like a muscle—the more you exercise it, the stronger it gets."
- Anonymous

Discovering Classical Music - Structures 1: Dances

Tuesday 12th November, 11:30

— £9
Here we look at music made for dance, looking at the way that the sections help both social and professional dancers navigate their way through the steps. We'll also talk about pieces that use dance forms but were never meant to actually be danced to, and how the music shows this.

THE HARNSA, KENSINGTON

November 2024

Discover Opera - Musical Structures: Rossini La Cenerentola

Tuesday 12th November,
15:00

— £9

We'll cover some of the structures from Baroque and Classical opera, as well as the ways that Rossini expanded them to produce a standardised 'number', allowing him to compose at speed.

CLUB ROOM, FULHAM

Discovering Classical Music - Structures 2: Variations

Tuesday 19th November, 11:30

— £9
Composers across all times and places have always used techniques to change and transform their material in ways that we refer to as 'variation', but there are also particular pieces which foreground this approach by taking a tune and making changes to it as the entire content of the work.

THE HARNSA, KENSINGTON

Discover Opera - Text: Verdi Otello

Tuesday 19th November, 15:00

— £9
Here we'll explore the changes that Verdi and his librettist Boito made to Othello, looking at how they made it practical for opera but also how they transformed it into something 'Italian' in the process.
